

## Barcode Vauxhall's 3rd Birthday

27.06.09

After packing in sexy south Londoners and muscled-up cuties for the past few years, **BARCODE VAUXHALL** decided to open its doors and toast its three years of non-stop partying last Saturday night.

Busier than ever, the bar and dancefloor were soon packed with hotties, who were lapping up fierce tunes from resident DJs **Mattias**, **D'Johnny**, **Saki**, **Severino** and **Tony Junior**, and toasting Barcode's birthday, as well as it being a Saturday night.

For Pride London this Saturday (4 Jul) the hunks at **Barcode Soho** will be partying from midday to the sounds of **HiFi Sean**, **Kris Di Angelis**, **Saki** and **Tony Junior**, while **Barcode Vauxhall** celebrates well into the early hours of Sunday (5 Jul) down on Albert Embankment.
