

# BOYZ SCENE awards

2010

It's award season again and we'd like to celebrate another stonkingly good year on the scene. To say our thanks to all the people who make gay life in London so special, we'd like to award the best bars, clubs, DJs, promoters and more. So check the categories, see who you think deserves the crowns and either send this form to us or fill in our online version at [www.boyz.co.uk](http://www.boyz.co.uk) before the end of February. We've suggested some potential winners to jog your memory, but it's an open field, so nominate whoever you think dominates. Winners will be announced by the end of March.
